Business Overview March 2010

Your Goals
 What would you do with extra time?
 What would you do with extra money?
 What would you do with both?

You Choose
 Increase your income to fund your dreams
 or
 shrink your dreams to match your income.

Anyway Money
 You already spend the money anyway. Change your spending habits by shopping from Your Store. Help your customers do the same, and keep the retail markup for your family.

"Private Franchising" is unique.
 "Private Franchising" refers to a business method that is similar to a traditional franchise in terms of support, but is not actually a franchise. It is unencumbered by the typical constraints of fees, territories, etc.

Online and offline ordering is available to both you and your consumers.
